Kevin Leppard

VIKOMA INTERNATIONAL LIMITED

Position: Regional Manager Asia Pacific

Overview

Kevin has an extensive Marine background and has been involved for over 30 years in the management and construction of steel and aluminium workboats, patrol craft and yachts.

Kevin also has experience with two different aircraft manufacturers, one of whom has supplied surveillance craft for pollution monitoring and tracking.

Kevin joined Vikoma International at the start of 2011 and has been Manager of the Asia Pacific Region since that time.

Trained to IMO Level 1 First Responder, Kevin has travelled throughout the Asia Pacific region working with Oil companies, spill responders, government agencies, coastguard and ports in China, Philippines, Malaysia, Myanmar, Indonesia, Japan, Singapore, South Korea, Thailand, New Zealand and Australia.

Kevin has worked in China with the following organisations:

CNOOC

SINOPEC

MSA

CNPC

Vikoma International was established in 1967 and is a recognised World Leader in the supply of innovative Oil Spill response products with products in more than 120 countries.

Vikoma has been supplying the Chinese market for more than 20 years.

Vikoma has established a reputation for the quality and reliability of it's products and has consistently introduced new and advanced technology to the Industry.
